THE COLLEGE

ANDERSON HALL TOWER

GREETING FROM THE PRESIDENT OF THE COLLEGE

DR. RALPH WALDO LLOYD
President of Maryville College

This is written at the opening of the 125th year in the history of Maryville College. The rapid turning of events in the world during these days of war makes it impossible to predict what special circumstances may surround life on this campus even a few months hence. But I think we may reasonably expect to have the privilege of welcoming several hundred college students and several hundred members of the Army Air Forces College Training Detachment now assigned here.

I am happy to extend an official greeting to all who come here to live and work on the Maryville campus as either civilian or soldier students. This little book published by students intends to give some introductory and ready reference information for all. The College officers stand ready to give information daily throughout the year. And the officers and faculty welcome an opportuity to become acquainted with the individuals who are enrolled in or assigned to this institution.

RALPH WALDO LLOYD
President of Maryville College

POLICIES

Basic to an understanding of Maryville College is a knowledge of its three distinctive and historic policies.

HIGH SCHOLORSHIP STANDARDS

Maryville College is officially accredited by the national, regional, and state accrediting bodies; the Association of American Universities, the Southern Association of Colleges and Secondary Schools, and the State of Tennessee Department of Education. Among other organizations by which it is approved or of which it is a member are the National Association of Schools of Music, the American Medical Association, the American Council on Education, the Association of American Colleges, and the American Association of University Women.

LOW EXPENSE RATES TO STUDENTS

In order to enable students of limited means as well as those of abundant means to secure a college education, Maryville maintains a low rate of expense and a self-help program. Students living in dormitories pay about $350 a year; those who live in their own homes in the community pay approximately $160. About two-thirds of the students earn part of their expenses through the self-help program, which includes remunerative employment, loans, and a few designated scholarship grants. Seldom can one meet all expenses in this way.

POSITIVE CHRISTIAN EMPHASIS AND PROGRAM

Maryville College is Christian, although not sectarian, in its purposes, program, and teaching. Throughout its history it has been connected organically with the Presbyterian Church in the U. S. A. It seeks to fulfill its responsibility through Christian faculty and staff, required courses in religion, required attendance at daily chapel and at Sunday church services, the "February Meetings", the "Maryville College Parish" program, and active Christian Associations.

HISTORY

Founded in 1819 by Rev. Isaac Anderson, D.D., as a theological seminary, Maryville College is one of the fifty oldest among the seventeen hundred institutions of higher education in the United States and one of the fifteen oldest in the South. The original site of the college is now occupied by the New Providence Presbyterian Church. In 1861 the Civil War forced the college to close.

In 1866 Prof. T. J. Lamar of the pre-war faculty became the second founder. A new site was purchased, and within a few years Anderson, Memorial, and Baldwin Halls were built. By 1867 women students were enrolled, and in 1875 Maryville conferred what was probably the first B. A. degree received by a woman in Tennessee. Since 1930 Rev. R. W. Lloyd, D. D., has been president.

From 13 students in 1866 and 83 students of college grade in 1901, the enrollment had grown to 813 in 1940-41. The armed forces and war industries have now, at the end of 1942-43, cut the number to 510. Thirty-seven states and four foreign countries are represented. The faculty and staff number about 75.

CAMPUS

Maryville's beautiful 320-acre campus includes the college woods with its picnic ground and natural amphitheatre, the college farm, and a nine-hole golf course. A map of the central area, showing 17 of the 22 buildings on the campus, will be found on the inside back cover page of the Handbook.

From the campus can be seen the distant Cumberland mountains on the west and the Chilhowees and Great Smokies on the east. The Great Smoky Mountains National Park is only 20 miles away. Knoxville is 16 miles northwest. The city of Maryville, settled about 1785, and its sister city Alcoa, where the Aluminum Company of America operates one of the largest aluminum plants in the world, with their surburban area, now have a population of about 25,000. Maryville's principal churches and its attractive business district are within convenient walking distance of the campus.

ALMA MATER

Where Chilhowee's lofty mountains
Pierce the southern blue
Proudly stands our Alma Mater,
Noble, grand, and true.

As thy hilltop crowned with cedars
Ever green appears;
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highland!
Loud her praises sing.

Chorus

Orange, garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater!
Hail to Maryville.

PART TWO

MILITARY

FAYERWEATHER SCIENCE HALL

OFFICERS

First Lt. Donald B. Ladd, *Commanding Officer*
First Lt. Louis E. Mackey — Second Lt. E. H. Garrison
First Lt. H. L. Creshire, M.D. — Second Lt. Samuel D. Wade

PROGRAM

The Army Air Forces College Training (Preflight) Program was established at Maryville College on March 1, 1943, with the intent of giving Army Air Force candidates a better background for future work. Colleges were chosen because they were the best prepared institutions to handle such a program.

The curriculum conducted by the Maryville faculty includes physics, mathematics, English, history, geography, Civil Air Regulations, and Medical Aid. The college also provides, on a plan furnished by the Air Corps, six hours a week of calisthenics and games, including in season volleyball, softball, tennis, swimming, basketball, and perhaps wrestling. There can be no football, touch football, soccer, or lacrosse.

The army has charge of administrative details and drill activity. During the latter part of the training period, which lasts approximately five months for most of the men, some flying instruction is given by the government at the local airport.

CIVILIAN RELATIONS

The training detachment is under strict army discipline at all times. The men march in formation to all meals, classes, and other appointments, spend the evenings in supervised study, go to bed early and get up early. Only in their few off hours (week-ends and perhaps one night) can they associate with the civilian students. During his free time, the aviation student may come and go as he sees fit, except to off-limits places, as long as he behaves as a gentleman and a soldier. The members of the college training detachment are expected by their officers to respect the traditions and regulations of Maryville College.

Some regulations the soldiers follow require civilian cooperation. At retreat or at any other time a military force is honoring the flag, the civilians in the vicinity should stop and stand at attention until the completion of the ceremony.

RECREATION

Aircrew students may belong to the social societies and the Y. M. C. A. They are welcome at the "Y" Sunday afternoon services. They may use the college library and attend the college entertainments when their program permits. Last year a dance was held in the armory for the detachment and a special show run in the local theatre. The men have organized several variety shows and a military band. Musical trainees have given impromptu concerts in the barracks. The "Y" is planning further entertainment.

PART THREE

STUDENT GOVERNMENT

THAW HALL

HISTORY

The Student Council was organized in 1923 to represent student opinion and work with the faculty in promoting desirable activities and relationships. The Constitution of the Student Council then drawn up was repeatedly revised through the years as opportunities arose for increased usefulness and broader responsibilities for the Council. The present Constitution of the Student Body was formulated during 1941-1942 and adopted by the Executive Council of the Faculty and by the Student Body in April, 1942. One amendment has since been added.

CONSTITUTION OF THE STUDENT BODY OF MARYVILLE COLLEGE

PREAMBLE

Whereas, the Student Council of Maryville College has functioned continuously since its organization in 1923, under a constitution which has been amended from time to time, and whereas, the time now seems opportune for a general revision of the existing Constitution of the Student Council, and for an enlargement of the designated functions of such a student organization for the purpose of providing greater understanding and cooperation throughout all of the College life and activities, now therefore,

We, the Students of Maryville College do hereby repeal the present Constitution of the Student Council and do adopt in its place this the following Constitution of the Student Body of Maryville College.

ARTICLE I—*Organization and Meetings of the Student Body*

Section 1. The President, Vice-President and Secretary-Treasurer of the Student Council are respectively the officers of the Student Body. They shall be chosen by the Council as hereafter provided for in this Constitution.

Section 2. The President of the Student Body shall call a meeting of the Student Body upon vote of the Council, or upon petition of fifty (50) students requesting such a meeting, or upon request of the President of the College. A meeting called upon petition must be held within one week of the date of the presenting of the petition.

Section 3. Meetings of the Student Body shall be held for the consideration and adoption or rejection of amendments to this Constitution.

Section 4. Meetings of the Student Body may be held for the consideration of other matters.

ARTICLE II—*The Student Council*

Section 1. The general administrative functions of the Student Body shall be centered in a group of twenty-two student representatives selected in the manner hereinafter designated, to be known as the Student Council. The officers of the Student Council shall serve respectively as the President, Vice-President and Secretary-Treasurer of the Student Body.

Section 2. The object of this Council shall be:

a. To cooperate with faculty and students in maintaining Maryville College's distinctive major policies, such as those of (1) high scholarship, (2) low expense rates, (3) positive Christian emphasis and program.

b. To furnish a responsible group of students who will represent accurately the points of view and the interests of the student body.

c. To serve as a body by which proposals arising from the students may be heard, developed, and presented through official representatives to the Student-Faculty Senate for further consideration.

d. To supervise, through committees, certain student elections and other student activities, as provided for elsewhere in this Constitution.

Section 3. The organization of the Student Council shall be as follows:

a. The membership shall consist of

(1) Four freshmen, to serve for one year

(2) Four sophomores, the man and the woman respectively polling the higher number of votes in the election to serve for two years, the other two to serve for one year.

(3) Six juniors, including the two elected in their sophomore year, and four elected in their junior year to serve for two years.

(4) Eight seniors including the four elected in their junior year, and four newly elected.

b. One-half of the representatives elected from each class shall be men and one-half women.

c. To become and remain eligible for membership in the Council, a student shall have met the necessary scholastic requirements for membership in the class which he represents.

d. Council members to represent the senior, junior, and sophomore classes shall be elected by a majority of the votes cast by their respective classes (junior, sophomore, and freshman) at the general College election each spring, as provided for elsewhere in this Constitution.

e. Council members to represent the incoming freshman class shall be elected by ballot at a meeting of the class called by the President of the Council within one month after the opening of the Fall Semester, for the purpose of electing all freshman class officers and representatives. This meeting shall be presided over and the election conducted by the President of the Council, and a majority of all votes cast shall be required for the election of each officer and representative.

f. The classes concerned shall have the power to fill any vacancies arising between regular elections.

g. No student may serve as class officer and member of the Council at the same time.

h. Council officers.

(1) Within one week following the election of senior, junior, and sophomore class representatives in the annual student election in the spring, the retiring President of the Council shall call a meeting of the new Council for the purpose of electing officers for the following year. This election shall be by ballot, and shall be conducted by the retiring President, who shall not have a vote.

(2) The officers of the Council shall be a President and a Vice-President, both of whom shall be seniors in the year in which they serve, and a Secretary-Treasurer.

(3) In case any officer becomes unable to serve, his successor shall be elected at the next meeting of the Council.

Section 4. The duties of the Council shall be as follows:

a. It shall meet at regular intervals as it may decide, but at least once each month from September to May; special meetings may be held at the call of the President.

b. It shall supervise through its committees such activities as are specified in this Constitution. It may require reports from its committees at designated times, and shall pass on to its committees such suggestions and requests as it may deem wise.

c. The Council as a group, and its members as individuals, shall be responsible for the leadership of student opinion, and shall seek always to develop within the Student Body a spirit of self-discipline which shall make for such an observance of the standards of our common life as shall render enforcement increasingly unnecessary.

d. The Council may prepare and present through its representatives on the Student-Faculty Senate, such proposals as may arise for the good of the College.

e. Representatives of other student organizations of the College may appear before the Council to present matters in which they are directly concerned.

f. The Council may from time to time designate its meetings as open or closed to the student body.

ARTICLE III—*The Student-Faculty Senate*

Section 1. The Student-Faculty Senate shall be composed of seven members of the Council, and seven faculty members, of whom one shall be the President of the College. The student members are to be distributed as follows:

a. One sophomore, to serve for two years, to be chosen from the two sophomores elected to the Council for two-year terms.

b. Three juniors, the one who was elected as a sophomore, and two newly elected for two years, to be chosen from juniors elected to the Council for two-year terms.

c. Three seniors, the two who were elected as juniors, and one newly elected, provided that one of the three senior members shall be the President of the Council.

Section 2. The student members of the Senate shall be elected by ballot by the Council at its second regular meeting in the Fall Semester; the other faculty members shall be appointed by the President of the College or selected in such other manner as he may specify.

Section 3. The President of the College or someone else whom he may designate shall serve as Chairman of the Senate; a student member shall be elected Secretary by the Senate at its first meeting in the fall Semester.

Section 4. The Senate shall meet at regular times as it may decide, but at least once a month after its election.

Section 5. It shall be the duty of the Senate to consider problems and proposals with reference to the common life and activities of the College community, and to adopt from time to time, subject to the approval of the Executive Council of the Faculty, such regulations and such changes in existing regulations of the College as may be deemed wise and necessary.

Section 6. A quorum for the transaction of all business shall consist of at least four student members and four faculty members.

Article IV—*Committees*

Section 1. The Elections Committee shall be composed of nine members of the Council, three seniors, two juniors, two sophomores, and two freshmen, to be appointed by the President of the Council.

a. It shall be the duty of the Elections Committee to conduct the annual election each May at such time and place as shall be specified by the Council. The Committee shall have prepared mimeographed ballots, and shall have posted lists of nominations for class officers and representatives, and officers and members of the Executive Board of the Athletic Association, for the ensuing year, as certified to the Committee by the class presidents and the President of the Athletic Association, respectively. At all times during the voting hours there shall be at least three members of the Elections Committee on duty at the voting place, who shall have authorized lists of all members of the voting classes, shall provide proper conditions for secret balloting, shall see that not votes are cast other than by registered students upon the proper ballots, and shall keep an accurate record of those voting.

b. Nominations for the various class officers and representatives

shall be made at meetings of the respective classes at least one week before the annual election, notice of each class meeting having been given, either by announcement in Chapel or by publication in the *Highland Echo*, at least three days in advance of the meeting. Two nominees for each position shall be selected, and shall be certified to the Elections Committee by the class presidents.

c. Officers and members of the Executive Board of the Athletic Association having been nominated at a meeting of the Student Body and Faculty as provided in the By-Laws of the Association, shall be elected by ballot at the annual election, all students and faculty being eligible to vote.

d. The list to be voted on by the senior class and faculty shall consist of nominations for officers and members of the Executive Board of the Athletic Association. The list for the junior class shall consist of nominations for senior class officers and Council representatives, and for officers and members of the Executive Board of the Athletic Association. The list for the sophomore class shall consist of nominations for junior class officers, editor and business manager of the *Chilhowean*, and Council representatives, and for officers and members of the Executive Board of the Athletic Association. The list for the freshman class shall consist of nominations for sophomore class officers and Council representatives, and for officers and members of the Executive Board of the Athletic Association.

e. The Elections Committee shall be responsible for having the date, hours, and place of the election announced in Chapel at least five days before the election; for having this information and lists of all nominees published in the issue of the *Highland Echo* immediately preceding the election; and for counting all votes and certifying the results to the Council.

f. The Council may direct the Elections Committee to conduct other general student elections, such as for Barnwarming and May Day, when requested to do so by the groups sponsoring such activities.

Section 2. The Finance Committee shall be composed of three members of the Council: the Secretary-Treasurer of the Council, who shall act as chairman, and two others appointed by the President of the Council. The Committee shall be responsible for the collection of all funds for Council purposes, and shall be permitted to make assessments upon the classes, as approved by the Council.

Section 3. The Student Publications Committee shall be composed of four members of the Council, appointed by the President of the Council.

a. The Committee shall serve as a part of the *Highland Echo* Committee as provided in the *Highland Echo* regulations, and shall

carry out such duties as are prescribed by said regulations.

b. The Committee shall also be responsible for publicizing the activities of the Council, and for conveying to the publications staffs such suggestions and recommendations as the Council may direct.

Section 4. The Pep Committee shall be composed of the head cheerleader, two faculty members appointed by the President of the College, and three members of the student body appointed by the President of the Council. The Committee shall elect its own officers. The Committee shall be responsible for all pep celebrations, and at the first pep celebration in the fall Semester shall supervise the election of cheerleaders by the students present; the candidate receiving the largest number of votes shall be the head cheerleader.

Section 5. The Social Committee shall be composed of seven students appointed by the President of the Council and six faculty members appointed by the President of the College. The student members shall be two seniors, two juniors, and one sophomore appointed from the student body, and one senior and one junior appointed from the Council; there shall be as nearly as possible an equal number of men and women, and at least three of the students appointed each year shall have served on the Committee the previous year. The Committee shall elect its own officers. It shall be the duty of the Committee to plan and carry out a social program for the students in general.

ARTICLE V—*Rules of Order*

In matters of procedure not covered by this Constitution Robert's Rules of Order shall be followed.

ARTICLE VI—*Amendments*

This Constitution may be amended as follows:

a. Each proposed amendment shall be approved by a two-thirds vote of the Student Council.

b. The proposed amendment shall then be presented to the Executive Council of the Faculty for approval.

c. If approved by the Executive Council of the Faculty, the amendment shall then be published in the *Highland Echo* one week prior to the date set for presenting it to the Student Body, together with a notice of the time and place of the meeting.

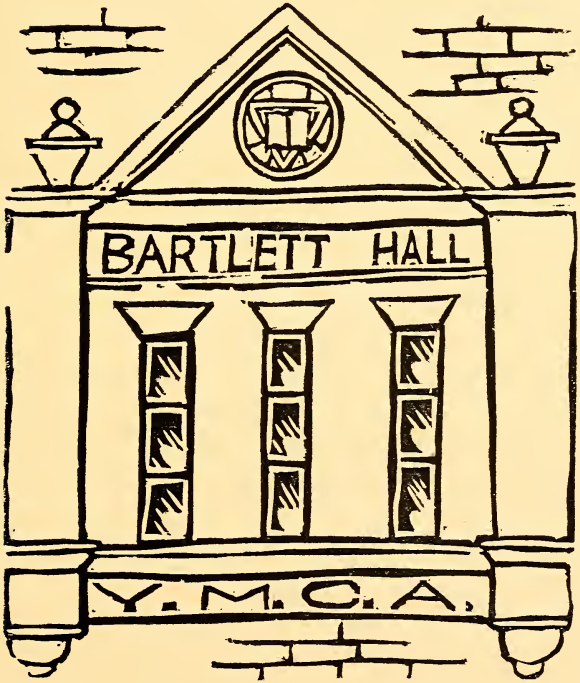
d. If passed by a two-thirds vote of the Student Body, the amendment shall become effective.

ARTICLE VII—*Ratification*

This Constitution shall become effective when approved by the Student Council and by the Executive Council of the Faculty and passed by a two-thirds vote of the Student Body.

PART FOUR

THE CHRISTIAN ASSOCIATIONS



BARTLETT HALL

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

PRESIDENT'S WELCOME

Hello, New Girls!

What a unique group of girls you are to be planning on entering college in 1943! Have you ever stopped to think of all the young men and women who have given up such plans, either necessarily or by choice? Many of the young women have chosen to enter into women's military organizations, early marriage, or war jobs. You have chosen to enter college to prepare in the way open to you for whatever may come. You are wise, for those of us who are privileged to do so, may best serve our country by continuing our education. War is only a temporary activity. The time is coming when we will be able to serve our country in ways for which we are now preparing.

MURIEL GEISLER
President, YWCA

You are a fortunate group of girls, also, for you have chosen to come to Maryville for your college years. The spirit at Maryville is one of warm Christian fellowship and interest. On our campus the YWCA is an organization which embodies this spirit for the girls. The purpose of YW is to serve all Maryville girls, and there is a place for you. But, "Y," like all worthwhile activities, is able to give to you only as much as you are willing to give to it through your interest and participation.

"Y's" motto this year is a conditional one, "If thou wouldst enter into life." We invite you to find your place in "Y" and to seek with us through recreational activities, service, and worship, those qualities which we will need to enter into life—the full and beautiful Christian life.

Sincerely,

MURIEL GEISLER
President, Y.W.C.A.

ACTIVITY

CHRISTIAN SERVICE. Maryville's Y.W.C.A. has always endeavored to help girls find real satisfaction in well-balanced Christian living. Keeping this aim ever in view, Y.W. has organized and conducts such groups as Nu Gamma Sigma, Pi Gamma Sigma, the Big Sister movement, and the International Relations Club. The "Y" also participates in the East Tennessee Intercollegiate Christian Council.

WORSHIP SERVICES. The Sunday afternoon worship services are planned to give inspiration and help. Problems of vital interest to all college girls are presented—personal, social, and international problems. Both new and old girls have opportunity to assist in some part of these services, and are greatly benefitted by the actual participation.

COMMUNITY SERVICE AND RECREATION. Besides the joint activities with the Y.M.C.A. the program of the Y. W. includes such activities as the production of the May Day pageant, semi-annual tennis tournaments, social service work in the mission chapels and in the orphanage, and various social activities for Y. W. members. The Y. W. rooms in Thaw Hall are especially well adapted and equipped for group events or individual relaxation and enjoyment. All members are invited to use the "Y" rooms, which are always open throughout the day.

You will find that the members of the "Y" cabinet, the Nu Gamma and Pi Gamma leaders, and old members of the "Y" are willing to help in every way possible. Give Y. W. a chance to be your friend and guide, and join the old members as they follow the year's motto, "If thou wouldst enter into life."

PEARSON'S HALL

NU GAMMA CHAIRMAN'S WELCOME

Hello, New Girls!

This letter carries a hearty welcome to some of the luckiest girls anywhere. Hearty because we are wanting to see and know you, and luckiest because you are coming to Maryville. I believe that happy hours and associations are awaiting you just as new friendships are in store for us when you get here.

AGNES PETERSON
Nu Gamma Chairman

If you have already heard from your Nu Gamma leader, she will have given you ideas and suggestions as well as welcomed you. You and the rest of the girls in your group will have grand times together—in the college woods or over the fudge pan in the kitchen—as you discuss and ask all the questions that are filling your mind.

All of us are looking forward to a grand year with you—a year of new friendships, opportunities, and responsibilities, of clean fun and hard work. So pack your duds and come on; we'll be just as glad to see you as you will be to get here.

Sincerely,

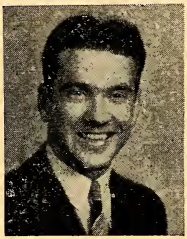
AGNES PETERSON
Nu Gamma Chairman

THE YOUNG MEN'S CHRISTIAN ASSOCIATION

THE PRESIDENT'S WELCOME

Hello New Fellows:

The Y.M.C.A. of Maryville College is happy to welcome you and to invite you into the fellowship of our group. Be assured that you are entering a college home which will become more meaningful to you as the years pass. By becoming an active member of the Y.M.C.A. you will have a part in our program which includes Sunday worship services, mountain hikes, a watermelon pow wow, a spring banquet, and other activities.



JOHN DEFOREST
President, YMCA

Due to the presence of the Army pre-cadets there will be activities which will be something new for the "Y." There is a place in "Y" for you; therefore, we extend our invitation—find your place in "Y."

Feel free to call at the "Y" office upon your arrival. We want to assist you in getting acquainted with the college and the young people here. Our motto this year is a quotation from Theodore Roosevelt, "The only homage that is worthwhile is the homage of deeds." We hope you will have a share in helping us realize this motto.

Sincerely yours,

JOHN DeFOREST
President, Y.M.C.A.

ACTIVITY

The Maryville College Y.M.C.A., a pioneer college "Y", has for sixty-six years offered a Christ-centered program for the full physical, mental, and social development of Maryville men.

College Service. The service of the "Y" begins when a student enrolls. An upperclassman assumes special responsibility for writing to him during the summer and introducing him to the campus and old students when he arrives on the Hill. A Frosh Fellowship Club helps new men get acquainted and adjusted. The program continues with a watermelon pow wow and a mountain hike in the fall and the annual banquet in the spring. The original sponsor of interclass athletics, the "Y" now helps administer the intramural program. Other services are performed for civilian and army men from time to time; this spring copies of *Today* have been distributed in Carnegie and Bartlett each month.

COMMUNITY SERVICE. The "Y" provides leadership for the program of the local cub pack and a scout troop it started.

WORSHIP. The central feature of the program is the Sunday afternoon meeting; through guest speakers, special music, or student discussion the attempt is made to reach the various problems of college men with the vital resources of religion.

JOINT ACTIVITIES

DEVOTIONAL. Joint devotional meetings are conducted cooperatively by the "Y's" several times each year. Three days each spring the cabinets hold Retreat in the mountains for planning and devotionals.

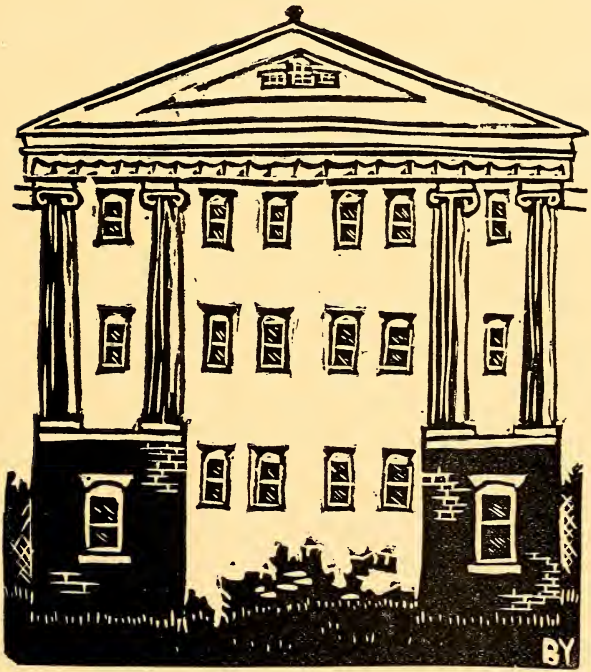
CULTURAL. The International Relations Club, to help students think intelligently about world affairs, presents well-informed speakers, informal discussion groups, and a current events class. The Artist Series, originally an activity of the YMCA, is now managed by a faculty committee assisted by the "Y's."

RECREATIONAL. Barnwarming, largely staged by the YWCA, is the gala affair that everyone attends on Thanksgiving evening in the Alumni Gymnasium. The proceeds help meet some world need.

SERVICE. The Chatterbox is a social center and a convenient place to buy food, refreshments, and necessities. New students as they arrive on the campus are directed and aided by "Y" representatives. This Handbook is itself a joint production.

PART FIVE

ACTIVITIES



THE ELIZABETH R. VOORHEES CHAPEL

Every student can find some organized college activity to capture his interest and utilize his ability. Some organizations are open to all; others are selective or honorary. Extra-curricular activities will form an important part of your college life; so we advise you to choose them carefully.

SOCIETIES

HONORARY

Pi Kappa Delta. Maryville has the honor or having the Tennessee Alpha Chapter of the national honorary fraternity, Pi Kappa Delta. Last year members of the chapter entered a number of different speech tournaments throughout the South in addition to other speaking activity. Members of the squad have consistantly ranked high in national and local tournaments. There is a freshman debate squad as well as a varsity squad, both of which meet as classes and receive college credit for their work.

Theta Alpha Phi. Talented dramatic students may, upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national honorary dramatic fraternity, Theta Alpha Phi. All students have opportunity to try out for the plays given by various organizations each year.

Sigma Delta Psi. The Maryville chapter of Sigma Delta Psi was established in 1930. Membership is open to all men of the college "who maintain satisfactory scholorship and command the respect of their associates as athletes and gentlemen." Membership is earned by meeting the requirements of the various athletic tests in the presence of a responsible committee.

Alpha Gamma Sigma. Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholorship among students. Its requirements are equal to those of Phi Beta Kappa. Ten per cent of the graduating class may be admitted provided the members have a grade point ratio of 6.5, or somewhat more than a *B* average. Honorary members are elected from the alumni of Maryville College who have won distinction in various fields of endeavor.

SOCIAL

In the past there were two sets of literary societies on the Hill. Recently all of the organizations have swerved from their original purpose, and have become purely social societies. The girl's societies, Bainonian and Theta Epsilon, are the sister societies of the men's organizations known as Athenian and Alpha Sigma. The societies meet every Saturday evening, the men in their rooms on the third floor of Anderson Hall and the women in their rooms on the second floor of Pearsons Hall. Each society adds much to the social activities.

ORGANIZATIONS

RELIGIOUS

THE MINISTERIAL ASSOCIATION. Organized in 1900, the Ministerial Association is composed of students that are candidates for the Christian ministry. It has for its object the enlistment of its members in various forms of active Christian work and the discussion of themes relating to the work of the ministry. Its most important activity is that embodied in four standing commitees which conduct regular pre-that embodied in four standing committees which conduct regular preaching and pastoral work in the county prison, local missions, and the country churches in the vicinity of Maryville.

STUDENT VOLUNTEERS. Since 1894 the students have maintained a Student Volunteer organization which is one of the strongest religious influences in the College. It is composed not only of those who have pledged themselves to the foreign field, but of those who are interested in this type of work. Regular meetings of the group are held Sunday evenings after Vespers. Some phase of missionary work is considered, and frequently missionaries on furlough provide valuable and inspiring first-hand material.

PARISH PROJECT. The Parish Project is a program of Christian service to communities in the vicinity of Maryville. Students who volunteer and are accepted for service in the Project carry on various types of service activity. These include Sunday school teaching and administration, teaching week-day Bible classes in a selected group of public schools, supervising young people's societies, and the leadership of character-building activity groups for boys and girls. The project is jointly sponsored and supported by the Board of National Missions, the Board of Christian Education, Maryville College, and the New Providence Presbyterian Church of Maryville. All who serve in the project are enrolled in a class and receive academic credit for satisfactory completion of the work, each semester.

PRE-VOCATIONAL

LAW CLUB. The Law Club is composed of students whose purpose is to familiarize themselves with the features of this profession, while developing high standards in connection with it. Visits of eminent speakers, participation by the members, and mock trials give valuable information and experience.

PRE-MEDICAL CLUB. This club is organized to promote interest in medicine and in the medical profession. Anyone having interests along these lines is invited to join.

INTEREST

WRITERS' WORKSHOP. Students who show interest and ability in literary work may be elected to the Writers' Workshop. The members are elected from the faculty and the junior and senior classes. Each member writes and reads aloud for criticism one paper a semester.

NATURE CLUB. The Nature Club is organized for all those who are interested in nature. The programs are planned to include movies, demonstrations, and similar entertainment. No technical knowledge is required for membership.

ART CLUB. The Art Club is interested in promoting appreciation of art and in stimulating its members to creative work. There is a wide field of interest which includes architecture, sculpture, and other branches of creative art.

DISC CLUB. The Disc Club is organized for music lovers who desire a better understanding and appreciation of good music. Each program is built around one composer's work and is introduced by a qualified commentator.

"M" CLUB. The "M" Club membership is restricted to those girls who have earned the college letter by participation in the athletic activities sponsored by the Point System.

LANGUAGE CLUBS. For students interested in modern languages and in the manners and customs of foreign countries, there is opportunity to gain confidence in the use of the foreign tongue, and to have enjoyment in the French, German, and Spanish Clubs. The programs are varied from seeing pictures and hearing lectures to giving plays in the foreign language.

MUSICAL

CHOIR. The College Choir is composed of forty students who are admitted to its ranks only after passing a rigid entrance examination. In addition to its participation in the daily chapel and weekly Vesper services, the choir takes part in the recently inaugurated radio vesper services, and other special programs.

GLEE CLUB. The Glee Club is composed of a limited number of women who are interested, and who successfully pass the voice tests given. The outstanding program of the year given by the Glee Club is its yearly spring concert.

BAND. The College Band is open to students with a fair ability to play a band instrument. Although no college credit is given for participation in this organization, band letters can be earned by faithful members.

ORCHESTRA. Opportunity to become a member of the orchestra is given to all interested students who have sufficient musical training. Under certain conditions such membership carries limited credit. A spring concert is also given by the orchestra.

SOCIAL

PI GAMMA SIGMA. This organization is sponsored by the Y. W. C. A. to promote fellowship between the town girls attending college and the dormitory girls. A luncheon is held every two weeks and an interesting program presented.

"B. G." Originally formed for the purpose of hiking, this women's club has gradually taken on more varied activity. The membership is limited to eight persons.

PI UPSILON. This club is sometimes called the Hi Trail Club. Like the "B. G." Club it is a hiking club organized for the men, membership being limited to twelve persons.

SECTIONAL CLUBS. Organized along geographical lines for social purposes are the Triangle Club, made up of men and women from Pennsylvania, New Jersey, and New York; the Cotton Club, including students from Alabama, Georgia, Mississippi, and Florida; and the Appalachian Club, composed of those from Tennessee, North Carolina, Kentucky, Virginia, and West Virginia.

PUBLICATIONS

HIGHLAND ECHO

THE HIGHLAND ECHO is the Maryville College student paper which is delivered every Saturday night. The editorial staff consists of members of the four college classes, selected on a competitive basis. Freshman students are allowed to try out for the *Echo* through their English classes at the first of the year, twelve apprentices being chosen each year by the examination of samples of their writings in competitive tryouts.

CHILHOWEAN

THE CHILHOWEAN is the annual yearbook which is published by the members of the junior class assisted by representatives of the sophomore class. Containing a summarized record of the year's work in all departments of the college, this makes an attractive souvenir. After ordering their 1944 annuals, freshmen and new students will find it informative and interesting to sample last year's or earlier copies in the library.

"M" BOOK

The "M" Book is published each year by the Y. W. C. A. and the Y. M. C. A. and is designed to orient the new students to some extent to the type of program which Maryville presents in the cultural, religious, athletic, and social fields. Copies are sent out to each new student before he comes to school.

PROGRAMS

RELIGIOUS

FEBRUARY MEETINGS. Since 1877 February Meetings have been a part of the religious program. A prominent religious speaker conducts daily services, the object of which is to deepen the spiritual life on the campus.

FRED HOPE DRIVE. The annual Fred Hope driive is for the collection of funds for use in the work of an African mission school of which Mr. Hope, a former Maryville student, is superintendent.

VESPERS. A Vesper Service is conducted in the chapel each Sunday evening during the college year. The service includes a sermon by some outstanding person, either a faculty member or a visiting speaker, and special music by the Maryville College Choir.

MESSIAH. Each year on the Sunday before school is dismissed before the Christmas vacation, the Fine Arts Department presents Handel's *Messiah* with a chorus of two hundred voices, built around the nucleus of the choir and the glee clubs, accompanied by the college orchestra.

CULTURAL

ARTIST'S SERIES. These programs are sponsored by the Y. W. C. A. and the Y. M. C. A. Every year the college brings to the campus a number of artists of the highest excellence. Tickets are sold to the public; the cost to the students is included in the Student Activity Fee.

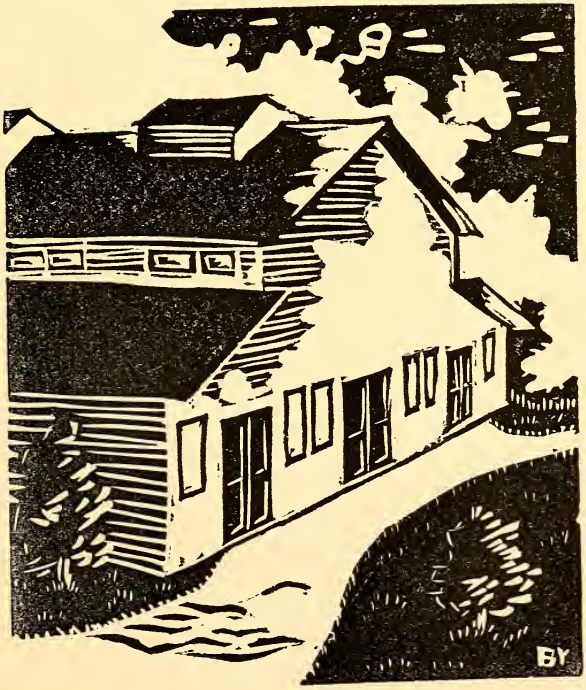
GUEST SPEAKERS. Each year the College brings many outstanding speakers from various parts of the state, the country, and the world to give the students first-hand information on the type of work which they do.

ENTERTAINMENT

The Social Committee which is organized by the Student Council has charge of all social and recreational activity outside of the regularly planned programs of the year.

PART SIX

ATHLETICS



THE ALUMNI GYMNASIUM

INTERCOLLEGIATE

For over half a century Maryville has maintained teams in intercollegiate competition. Because few men remain at Maryville and other colleges and army college trainees cannot take part in an interscholastic program, there will probably be no intercollegiate athletics at Maryville for the duration of the war. There might be enough men for wrestling and tennis teams.

ADMINISTRATION

The athletic program of Maryville College is directed by the faculty, through its Committee on Athletics (of which Athletic Director Lombe S. Honaker is a member), with the cooperation of the student body, organized as the Athletic Association, through its elected representatives (eight students and three faculty members) on the Athletic Board of Control. This body, regulated by a constitution, largely determines the policy of Maryville athletics. The members of the Board for 1943-44 are as follows: Lloyd Anderson, president; Trevor Williams, vice-president, Johnnye Gudel, secretary-treasurer; Dr. Case, Mrs. Queener, Margaret Boretsky, Mary Evelyn Waisman, Joseph Brown, Samuel Crawford, and William Sidner.

PROGRAM

Standing for a well-rounded college life, Maryville College has attained a high rating of excellence among southeastern schools. Its athletes are not bought; only physical fitness and average scholastic ability determine eligibility. Athletic ability alone does not make a man popular.

The Maryville football team has an impressive record. In 1941 the Highlanders triumphed in eight games out of nine. However in 1942, unable to schedule its traditional rivals, the team won only the first of eight games. The basketball team in 1940 defeated Lincoln Memorial University three games out of four after the Railsplitters' long winning streak over such teams as Duke, and U. of N. C. The wrestling team, competing with some of the best teams in the country has taken twelve championships. In 1943 it lost only one match. The baseball team won 42 games, lost three, and tied one in three years, 1940-42. Some Maryville diamond men have made good as professionals, notably Johnny Stone, long a star of the Washington Senators. The tennis team placed third at the state meet in 1942 and first in 1943. Swimming teams had competed with increasing success; the track and field team won the state title in 1939.

1942-43 VARSITY LETTERMEN

FOOTBALL. Kenneth Andes, Robert Bayless, J. I. Breazeale, Albert Chambers, Wayne Davis, Ronald Easter, Winton Enloe, James Garvin, Joseph Gouffon, Harvey Hollingsworth, Ross Honaker, Jack Kramer,

Marvin Mitchell, Robert Morton, Charles Pepper, Leslie Rock (capt.), Oliver Spears, Arthur Spears, Frank Still, Kenneth Talbott, Lloyd Taylor, Gordon Webb, Dale Wiley and Mac Wilson.

WRESTLING. Lloyd Anderson, Edwin Ballinger, Frank Bradford, Robert Morton, Joseph Suitor (captain), William Thompson, Trevor Williams, Ed Wilson, Mac Wilson.

TENNIS. Kenneth Cooper, Wallace Easter, Robert Hunter, J. Edward Kidder, Jr., Hal Lloyd, Theodore Pratt.

INTRAMURAL

The intramural program provides Maryville men with a chance to participate in various non-varsity sports for good fellowship, vigorous competition, and physical fitness.

ADMINISTRATION

To a large extent the responsibility for the intramural sports program rests upon the senior student manager, a representative of the YMCA. Working with him and the coach are the junior, sophomore, and freshman (tryout) managers.

PROGRAM

Running through the year as part of the physical education program, two types of competition are offered. The division or team sports are conducted in two leagues, society and independent, operating on the same schedule. Playoffs are held between league champions. The all-college sports are engaged in individually or in small groups, each person representing himself. Faculty teams or individuals may take part in intramural activity but are not eligible for awards. Some events such as archery have been open to women. In 1943-44 it may be possible for aircrew students to join the fun. Besides the sports mentioned in the awards section below, gymnastics, croquet, swimming, track, and archery were scheduled and may be offered another year. A phamplet setting forth the schedule, staff, objectives, regulations, point system, and other information is given the men each fall. Plan to be active in intramurals.

1942-1943 AWARDS AND WINNERS

SENIOR MANAGER LETTERS AND SWEATERS. Oliver Van Cise (first semester), Hal Lloyd (second semester).

ASSISTANT MANAGER KEYS. Guy Lambert, Stanley Crews. Abner Richard, Raymond Swartzback, Daniel Long, James Hogue, Harold Huffman, Joseph Brown, William Segraves, Lloyd Anderson.

INTRAMURAL LETTERS. Sam Pemberton, 735; William Adams, 665; Enrico Scapellati, 524; William Evans, 520; Arthur Bushing,479; Edward Rowley, 472.5; Kenneth Cooper, 472.5; William Segraves, 446; Wallace Easter, 438; Olson Pemberton, 434; Ralph Parvin, 418.

Singles Golf ____ Robert Hunter
Softball _____ Athenian
Shuffleboard __ Sam Pemberton, Olson Pemberton
Tennis Doubles_Adams and Evans
Bushing and Williamson (tie)

POINT SYSTEM

As at most colleges, there are no longer intercollegiate contests for women at Maryville. For them has been substituted the point system, directed by Mrs. Evelyn N. Queener and her assistants. Like the men's intramural program, the point system attracts those seeking voluntary and required exercise.

PROGRAM

Participation in the different sports qualifies a girl for a given number of points. To those earning over 300 points awards are made at the end of the year. Every girl must walk the seven-mile loop twelve times a year, swim twice a month, and spend an hour in exercise daily. Those who play basketball, soccer, indoor baseball, or volleyball earn 30 points for their team. Taking part in swimming, track, tennis, hiking, or aerial dart tournaments entitles a girl to 50 points. Additional points are awarded for sportsmanship, membership on the squad, managing a team, and perfect attendance. The observance of health rules gives a maximum of 25 points a semester. High scholarship adds a percentage of the total. Members of the "M" Club (those who have earned at least 400 points) take a mountain hike each spring, and enjoy several other activities.

1942-1943 AWARDS

"M" AND SWEATER. Johnnye Gudel, 545; Agnes Peterson, 517; Nancy Russell, 507; Edith George, 504; Betsey Burleigh, 500.

"M". Winifred Somers, 479; Marguerite Taylor, 455; Barbara Burnett, 450; Betsy Watkins, 442; Rose Pinneo, 438; Margaret Boretsky, 433; Lois King, 432; Sue Clarke, 421; Catherine Loesch, 411; Thelma Richardson, 408; Marion Stout, 404.

MONOGRAM "MC". Betty Lou King, 392; Jean Bellerjeau, 389; Carol Gillette, 382; Margaret Witt, 378; Rebecca Davis, 370; Josephine Gillette, 368; Jeana Eddleman, 366; Flora Torbert, 362; Dorothy Justus, 361; Rosalind Garges, 331 Zenobia Bernardini, 324; Miriam Wickham, 313; Ruth Chandler, 307.

PROCEDURE FOR NEW STUDENTS ARRIVING IN MARYVILLE

1. Inquire at one of the Y.W. and Y.M. general information tables which will be located on the lawn in the central campus area if you are in doubt about anything.
2. Get room assignments, find rooms.
3. Check baggage with Y.M., Y.W.
4. Go to scheduled meeting in chapel.
5. Follow schedule sheets sent out by the Personnel Office and further directions given at meetings.

COMMON SENSE FOR COLLEGE STUDENTS

Have regular hours for study—and use them for study. Effective studying is partly a science and partly an art to be mastered by each individual through studying his own particular habits and needs.

"Tote fair" with the home folks. Match their sacrifice with your diligence. Write to them, especially Mother, at least once a week. Your neglect will convict you of the crime of ingratitude.

Be yourself—your best self, consistently. If you have ideals, hold on to them; if you have questions, ask them; if you have ideas, put them to work.

Don't let anyone tell you that "activities" are as important or more important than studies. They're not—at least not for any student who has a reasonable amount of brains and intellectual interest. If you haven't these, leave college now!

When you get a chance to further a friendship with a professor, don't be a fool and think it isn't done—grab it!

Spiritual "rickets" may be fashionable with some students but you cannot walk with undernourished legs. And walk you must to live, and live you must before you dare to die. So—go to church; not to please the school, but to refill yourself with strength, courage, and truth in order that you may perform with the greatest ability your life tasks as you see them cut out before you.

Experience is the stuff of growth; and you grow only when you reflect upon and evaluate your experiences and the experiences of the race, and then, on the basis of such evaluations, act more wisely in the future from the way you have acted in the past.

The Ministry of Vital Importance

General Hershey said recently, "Congress has recognized the necessity of religious guidance and education as vital to the welfare of the Nation." So students for the ministry are deferred by draft boards.

We are selecting the strongest campus leaders for training. Competitive scholarships covering all expenses are available. But no promising man will be turned away for lack of funds.

Chicago is the center of theological education in America, with eleven seminaries here, because of the great advantage of this area.

For 115 years our Seminary has trained the majority of all Presbyterian ministers in the great Mississippi Valley.

MARYVILLE COLLEGE

Maryville, Tennessee

ONE HUNDRED AND TWENTY-FIFTH YEAR BEGINS SEPTEMBER 1, 1943

Maryville College is one of the important church-related institutions of America, and seeks to be true to the noblest traditions of the association of education and religion. Its directors are elected by the Synod of Mid-South of the Presbyterian Church in the U.S.A.

It is a Christian liberal arts college with the purpose of providing a general cultural education. During the war period it is also rendering a special service in its Army Air Forces college training program.

Its fees are deliberately kept at a low level for the benefit of those who might not be able to attend otherwise. This makes earnest cooperation on the part of all an essential factor.

It desires to select its students on the basis of preparation, earnestness, capacity, character, and co-operativeness.
